ADDRESS OF RESIDENCE FORM

Instructions

This form is to be attached to the Affidavit of Candidacy when a candidate has checked the Private Data box.

The address of residence is classified as private data at the request of the candidate. The address of residence is used by the filing officer who received the affidavit of candidacy, upon written request of a registered voter, to determine whether the address of residence listed by the candidate is actually located in the area represented by the office sought, pursuant to *Minnesota Statutes*, section 204B.06, subd. 1b (b). While the candidate is not required to provide the address of residence, failure to provide the address of residence will result in an incomplete affidavit of candidacy and the rejection of the affidavit of candidacy, which will result in the omission of the candidate's name from any ballot in the election for which the candidate attempts to file the affidavit of candidacy and pay the filing fee. This information will be available to the filing officer to whom the written request is delivered, to employees of that filing officer and to other elections officials with whom that filing officer consults in order to obtain information necessary to make the determination whether the address of residence listed by the candidate is actually located in the area represented by the office sought.
